ARTICLE I

NAME AND LOCATION

1.01 The name of the corporation for which these are the Bylaws is "TERRACE VILLAGE MAINTENANCE CORPORATION " (hereinafter referred to simply as the "Association"). The principal office of the Association shall be located at the address of the Project.

ARTICLE II

DEFINITIONS

2.01 The definitions contained and set forth in the Declaration of Covenants, Conditions, and Restrictions and Reservation of Easements for the TERRACE VILLAGE Condominium Project in the City of San Diego, California, hereinafter referred to simply as the "Declaration", are incorporated herein by reference and made a part hereof as though set forth in full.

ARTICLE III

MEETING OF MEMBERS AND VOTING

3.01 Annual Meeting. Regular meetings of Members of the Association shall be held not less frequently than once each calendar year. The first meeting of the Association, whether a regular or special meeting, shall be held within 45 days after the closing of the sale of the Condominium in the Project which represents the fifty-first (51st) percentile interest authorized for sale under the first public report for the Condominium Project, provided that Public Report authorizes the sale of 50 subdivision interests or more in the subdivision. However, in no event shall the first meeting be held later than six months after the closing of the sale of the first subdivision interest without regard to the number of subdivision interests authorized for sale in the first public report. The date, time, and place of the first annual meeting shall be set by the Board at the organizational meeting so as to occur no later than ninety (90) days after the close of the Association's fiscal year. Subsequent regular annual meetings of the Members shall be held within thirty (30) days of the same day of the same month of each year thereafter, at a time determined by the Board of Directors. If the day for the annual meeting of the Members is a legal holiday, the meeting will be held at the same hour on the first day following which is not a legal holiday.

3.02 Special Meetings. A special meeting of the Members shall be promptly scheduled by the Board of Directors in response to the vote of the Board itself or a written request for a special meeting signed by Members representing at least five (5%) percent of the total voting power of the Association. The provisions of the Declaration, as related to special meetings of the Association, are incorporated herein by reference and made a part hereof as though set forth in full.

3.03 Notice and Place of Meetings. Written notice of each meeting of the Members shall be given by, or at the direction of the secretary or person authorized to call the meeting, by personal delivery or mailing a copy of such notice, postage prepaid, at least ten (10) days, but not more than ninety (90) days before such meeting to each institutional lender requesting notice and to each member, addressed to the Member's address last appearing on the books of the Association, or supplied by such Member to the Association for the purpose of notice. Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting. Notwithstanding any other provision of law, notice of meetings of the Members shall specify those matters the Board intends to present for action by the Members, but, except as otherwise provided by law, any proper matter may be presented at the meeting for action. Meetings shall be held within the Condominium Project, or at a meeting place within the same county and as close to the Condominium Project as possible. Institutional lenders may designate in writing a representative to attend all meetings, and are hereby authorized to furnish information to the Association concerning the status of any loan encumbering a Unit within the Condominium Project.

3.04 Quorum. The presence at any meeting, either in person or proxy, of Members entitled to cast at least fifty-one (51%) percent of the total voting power of the Association shall constitute a quorum for any action except as otherwise provided in the Restrictions. If, however, such quorum shall not be present or represented at any meeting, a majority of the Members entitled to vote thereat shall have the power to adjourn the meeting to date not less than five (5) days nor more than thirty (30) days from the meeting date, at which meeting the quorum requirements shall be one-third (1/3) of the total voting power. If a time and place for the adjourned meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for the adjourned meeting after adjournment, notice of the time and place of the adjourned meeting shall be given to members in the manner prescribed for annual meetings. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment notwithstanding the withdrawal of enough Members to leave less than a quorum; provided that at least twenty-five (25%) percent of the total voting power of the Association remains present in person and/or by proxy, and provided further that any action taken shall be approved by at least a majority of the Members required to constitute a quorum.

3.05 Proxies. At all meetings of Members, each Member may vote in person or by proxy. All proxies shall be in writing and filed with the secretary and/or the management company before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the Member of his Unit, or upon receipt of notice by the secretary of the Board of the death or judicially declared incompetence of a member, or upon the expiration of eleven (11) months from and after the date of its execution, unless the Member executing it specifies therein the length of time for which the proxy is to continue in force, which in no case may exceed three (3) years from and after the date of its execution. Every form of proxy or written ballot which provides an opportunity to specify approval, disapproval with respect to any proposal shall also contain a space marked "abstain". Any form of proxy or written ballot distributed by any person to the membership of the Association shall afford the opportunity to specify a choice between approval and disapproval of each matter or group of matters to be acted upon, except it shall not be mandatory that a candidate for election to the governing body be named in the proxy or written ballot. The proxy or written ballot shall provide that, where the member specifies a choice, the vote shall be cast in accordance with that choice. The proxy shall also identify the person or persons authorized to exercise the proxy and the length of time it will be valid.

3.06 Membership Classes and Voting Rights. Membership shall be held as provided in the Declaration. Voting rights attributable to Units shall not vest until assessments against those Units have been levied by the Association. The Association shall have two (2) classes of voting membership:

(a) Class A. Class A Members shall be all Owners with the exception of the Declarant, and shall be entitled to one (1) vote for each Unit owned. When more than one person holds an interest in any Unit, all such persons shall be Members, and the vote for such Unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Unit.

(b) Class B. Class B Members shall be the Declarant, and shall be entitled to vote as follows: voting shall be the same as for Class A memberships, except that the Class B Members may triple their votes for each Unit owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(1) When the total outstanding votes held by the Class A members equal the total outstanding votes held by the Class B member; or

(2) The second anniversary of the first Close of Escrow in the Project.

3.07 Action Without Meeting. Any action which may be taken by the vote of Members at a regular meeting or special meeting, except the election of the Members of the Board of Directors, may be taken without a meeting if done in compliance with the provisions of Sections 7513 and 7516 of the California Corporations Code.

3.08 Conduct of Meetings. Meetings of the membership of the Association shall be conducted in accordance with a recognized system of parliamentary procedure or such parliamentary procedure as the Association may adopt.

3.09. Open Meeting Act Requirements. Notwithstanding any other language included herein, in accordance with Civil Section 1363.05, the Common Interest Development Open Meeting Act, the following procedures shall be followed:

(a) Any member of the Association may attend meetings of the Board of Directors of the Association, except when the Board adjourns to executive session to consider litigation, matters relating to the formation of contracts with third parties, member discipline, personnel matters, or to meet with a member, upon the member's request, regarding the member's payment of assessments, as specified in Civil Code Section 1367 or 1367.1. The Board of Directors of the Association shall meet in executive session, if requested by a member who may be subject to a fine, penalty, or other form of discipline, and member shall be entitled to attend the executive session.

(b) Any matter discussed in executive session shall be generally noted in the minutes of the immediately following meeting that is open to the entire membership.

(c) The minutes, minutes proposed for adoption that are marked to indicate draft status, or a summary of the minutes, of any meeting of the Board of Directors of the Association, other than an executive session, shall be available to members within 30 days of the meeting.

(d) The minutes, proposed minutes, or summary minutes shall be distributed to any member of the Association upon request and upon reimbursement of the Association's costs for making that distribution.

(e) Members of the Association shall be notified in writing at the time that the proforma budget required in Civil Code Section 1365 is distributed, or at the time of any general mailing to the entire membership of the Association, of their right to have copies of the minutes of meetings of the Board of Directors, and how and where those minutes may be obtained.

(f) As used in this section, "meeting" includes any congregation of a majority of the members of the Board of Directors at the same time and place to hear, discuss, or deliberate upon any item of business scheduled to be heard by the Board, except those matters that may be discussed in executive session.

(g) Unless the time and place of meeting is fixed by the Bylaws, or unless the Bylaws provide for a longer period of notice, members shall be given notice of the time and place of a meeting as defined in section (f), except for an emergency meeting, at least four (4) days prior to the meeting. Notice shall be given by posting the notice in a prominent place or places within the Common Area and by mail to any Owner who has requested notification of board meetings by mail, at the address requested by the Owner. Notice may also be given by mail or delivery of the notice to each unit in the development or by newsletter or similar means of communication.

(h) An emergency meeting of the Board of Directors may be called by the President of the Association, or by any two (2) members of the governing body other than the President, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the Board of Directors, and which of necessity make it impracticable to provide notice as required by this section.

(i) The Board of Directors of the Association shall permit any member of the Association to speak at any meeting of the Association or the Board of Directors, except for meetings of the Board held in executive session. A reasonable time limit for all members of the Association to speak to the Board of Directors or before a meeting of the Association shall be established by the Board of Directors.

3.10. Meeting Requirements of Civil Code Section 1368.4.

In accordance with Civil Code Section 1368.4, not later than thirty (30) days prior to the filing of any civil action by the Association against the declarant or other developer of a common interest development for alleged damage to the Common Area, alleged damage to the separate interests that the Association is obligated to maintain or repair, or alleged damage to the separate interests that arises out of, or is integrally related to, damage to the Common Areas or Separate Interests that the Association is obligated to maintain or repair, the Board of Directors of the Association shall provide written notice to each member of the Association who appears on the records of the Association when the notice is provided. This notice shall specify all of the following:

(1) That a meeting will take place to discuss problems that may lead to the filing of a civil action.

(2) The options, including civil actions, that are available to address the problems.

(3) The time and place of this meeting.

(4) Notwithstanding language included in this Section 3.10, if the Association has reason to believe that the applicable statute of limitations will expire before the Association files the civil action, the Association may give the notice, as described herein, within thirty (30) days after the filing of the action.

ARTICLE IV

BOARD OF DIRECTORS: SELECTION, TERM OF OFFICE, MEETINGS, POWERS AND DUTIES

4.01 Number. The affairs of this Association shall be managed by a Board of three (3) Directors, who need not be Members of the Association until conversion of Class B membership to Class A, after which time all Directors must be members of the Association. The initial Directors shall be appointed by Declarant and shall hold office until their successors are elected at the first (organizational) meeting of the Members.

4.02 Term of Office. At the first (organizational) meeting of the Association, the Members shall elect three (3) Directors to serve until the first annual meeting. At the first annual meeting and each annual meeting thereafter, the Members shall elect two (2) Directors for a term of two (2) years and one (1) directors for a term of one (1) year, but in the event that any such annual meeting is not held, or the Directors not elected at such meeting, the Directors may be elected at any special meeting of the Association held for that purpose, and all incumbent Directors shall hold their office until their successors are elected.

4.03 Nomination. Nomination for election to the Board of Directors shall be made by a Nominating Committee. Notice to the Members of the Association of the meeting shall include the names of all those who are nominees at the time the notice is sent. Nominations may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a chairman, who shall be a director, and two (2) or more members of the Association. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Association, to serve until the close of such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. All candidate shall have reasonable opportunity to communicate their qualifications to Members and to solicit votes.

4.04 Election. The first election of the Board shall be conducted at the first (organizational) meeting of the Association. At such election, the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Restrictions. The persons receiving the largest number of votes shall be elected. Cumulative voting shall be utilized during all elections in which two (2) or more positions on the Board are to be filled. Voting for Directors shall be by secret written ballot. So long as a majority of the voting power of the Association resides in the Declarant, or so long as there are two (2) outstanding classes of membership in the Association, not less than twenty percent (20%) of the incumbents on the Board (at least one [1] Director) shall have been elected solely by the votes of the Owners other than the Declarant. A Member shall be entitled to cumulate his or her vote for one or more candidates for the Board of Directors if the candidate's name has been placed in nomination prior to voting and if the Member has given notice at the meeting prior to the voting of his or her intention to cumulate votes. If any one Member has given such notice, all Members may cumulate their votes for candidates in nomination.

4.05 Removal; Vacancies. Unless the entire Board is removed from office by a simple majority vote of Association Members, an individual Director shall not be removed prior to the expiration of his term of office if the number of votes cast against his removal would be sufficient to elect him if voted cumulatively at an election at which the same total number of votes were cast and the entire number of Directors authorized at the time of the most recent election were then being elected. A director who was elected solely by the votes of Members other than the Declarant may be removed from office prior to the expiration of his term only by the votes of a majority of Members other than the Declarant. In the event of death or resignation of a Director, his successor shall be selected by a majority of the remaining Directors or by a sole remaining Director, and shall serve for the unexpired term of his predecessor. The Members may elect a Director at any time to fill any vacancy not filled by the Directors. Any vacancy created by the removal of a Director can be filled only by election of the Members.

4.06 Regular Meetings. Regular meetings of the Board of Directors shall be held monthly at such place within the Condominium Project and at such hour as may be fixed from time to time by resolution of the Board. The Board of Directors may meet as infrequently as once every six months if the Board of Directors determines that the business to be transacted does not justify more frequent meetings. Should said meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day which is not a legal holiday. Notice of the time and place of meeting shall be posted at a prominent place within the Common Area and shall be communicated to Directors not less than four (4) days prior to the meeting; provided that notice of a meeting need not be given to any Director who has signed a waiver of notice or a written consent to holding of the meeting. If the Common Area consists of only an easement or is otherwise unsuitable for posting of such notice, the Board shall communicate the notice of the time and place of such meeting by any means it deems appropriate.

4.07 Special Meetings. Special Meetings of the Board of Directors shall be held when called by written notice signed by the president of the Association or by any two (2) Directors other than the president. The Notice shall specify the time and place of the meeting and the nature of any special business to be considered. The Notice shall be personally delivered or mailed to all Directors and posted at a prominent place within the Common Area not less than seventy-two (72) hours prior to the scheduled time of the meeting; provided, however, that notice of the meeting need not be given to any Director who signed a waiver of notice or a written consent to holding of the meeting. If the Common Area consists of only an easement or is otherwise unsuitable for posting of such notice, the Board shall communicate the notice of the time and place of such meeting by any means it deems appropriate.

4.08 Quorum; Notice of Adjourned Meeting. A majority of the number of Directors shall constitute a quorum and be necessary for the transaction of business, except to adjourn until the time fixed for the next regular meeting of the Directors. Every act performed or decision made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for the meeting. Notice of the time and place of holding the adjourned meeting need not be given, unless the meeting is adjourned for more than twenty-four (24) hours, in which case personal notice of the time and place shall be given before the time of the adjourned meeting to the Directors who were not present at the time of the adjournment, and shall be posted at a prominent place within the Common Area. An explanation of the action taken shall be posted at a prominent place within the Common Area within three (3) days after the meeting. If the Common Area consists of only an easement or is otherwise unsuitable for posting of such notice or explanation, the Board shall communicate such notice or explanation by any means it deems appropriate.

4.09 Open Meetings. Any Member of the Association may attend meetings of the Board of Directors of the Association, except when the Board adjourns to executive session to consider litigation, matters that relate to the formation of contracts with third parties, or personnel matters. All other meetings of the Board shall be open to all Members, but Members other than Directors may not participate in any discussion or deliberation unless expressly so authorized by a majority of a quorum of the Board.

4.10 Participation in Meetings by Directors. In accordance with Civil Code Section 7211, members of the Board may participate in a meeting through use of conference telephone, electronic video screen communications, or other communications equipment. Participation in a meeting pursuant to Section 7211 constitutes presence in person at that meeting if all of the following apply:

(A) Each member participating in the meeting can communicate with all of the other members concurrently:

(B) Each member is provided the means of participating in all matters before the Board, including the capacity to propose, or to interpose an objection, to a specific action to be taken by the Corporation.

(C) The Corporation adopts and implements some means of verifying both of the following:

(i) A person communicating by telephone, electronic video screen, or other communications equipment is a director entitled to participate in the Board meeting.

(ii) All statements, questions, actions, or votes were made by that director and not by another person not permitted to participate in the Board meeting.

4.11 Executive Session. The Board may, with approval of a majority of its members present at a meeting in which a quorum for the transaction of business has been established, adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session. Any matter discussed in executive session shall be generally noted in the minutes of the Board of Directors. In any matter relating to the discipline of an Association Member, the Board of Directors shall meet in executive session if requested by the Member being disciplined, and the Member shall be entitled to attend the executive session.

4.12 Action Taken Without a Meeting. The Directors may take any action in the absence of a meeting which they are required or permitted to take at a meeting, by obtaining the written approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors. If the Board of Directors resolves by unanimous written consent to take action, an explanation of the action taken shall be posted at a prominent place or places within the Common Area within three (3) days after the written consents of all Directors have been obtained. If the Common Area consists of only an easement or is otherwise unsuitable for posting the explanation of the action taken, the Board shall communicate said explanation by any means it deems appropriate.

4.13 Duties. It shall be the duty of the Board of Directors to:

(a) Maintenance: Maintain the Condominium Project in accordance with the provisions of the Condominium Project Documents.

(b) Insurance: Procure and maintain insurance as required by the provisions of the Restrictions.

(c) Discharge of Liens: Discharge by payment, if necessary, any lien against the Common Area and assess the cost thereof to the Member or Members responsible for the existence of said lien.

(d) Assessments: Fix, levy, collect, and enforce assessments as set forth in the Restrictions.

(e) Expenses and Obligations: Pay all expenses and obligations incurred by the Association in the conduct of its business including, without limitation, all licenses, taxes, or governmental charges levied or imposed against the property of the Association.

(f) Records: Cause to be kept a complete record of all its acts and affairs and to present a statement thereof to the Members at the annual meeting of the Members, or at any special meeting when such statement is requested in writing by one-fourth (1/4th) of the Class A Members; keep adequate and correct books and records of account, minutes of its own proceedings and those of its committees, and a record of its Members and the members of the Association, giving their names and addresses and classes of membership.

(g) Supervision: Supervise all officers, agents, and employees of the Association, and see that their duties are properly performed.

(h) Enforcement: Enforce the provisions of the Restrictions.

4.14 Powers. The Board of Directors shall have the power to:

(a) Manager: Employ a manager as provided in the Restrictions.

(b) Adoption of Rules: Adopt rules in accordance with the provisions of the Restrictions.

(c) Assessments, Liens, and Fines: Levy and collect assessments and impose fines as provided in the Restrictions.

(d) Enforcement: Enforce the provisions of the Restrictions.

(e) Contracts: Contract for goods and/or services in accordance with the provisions of the Restrictions.

(f) Delegation: Delegate its authority and powers to committees, officers, or employees of the Association.

(g) Partition: Sell the Condominium Project, in the event of partition pursuant to the provisions of the Declaration.

4.15 Prohibited Acts. The Board of Directors shall not take any of the following actions except with the vote or written consent of a majority of the voting power of the Association, which shall include a majority of the votes residing in Members other than the Declarant, or where the two-class voting structure is still in effect as provided in the Restrictions, a majority of each class membership:

(a) Entering into a contract with a third person wherein the third person will furnish goods or services for the Common Area or the Association for a term longer than one (1) year, with the following exceptions:

(1) A management contract, the terms of which have been approved by the Federal Housing Administration or U.S. Department of Veterans Affairs (if either of these entities is the holder, insurer or guarantor of any loan or mortgage on any Unit in the Condominium Project);

(2) A contract with a public utility company if the rates charged for the materials or services are regulated by the Public Utilities Commission; provided, however, that the term of the contract shall not exceed the shortest term for which the supplier will contract at the regulated rate;

(3) Prepaid casualty and/or liability insurance policies of not-to-exceed three (3) years duration, provided that the policy permits short-rate cancellation by the insured.

(6) Agreements for sale or lease of burglar alarm and fire alarm equipment, installation, and services of not-to-exceed five (5) years duration provided that the supplier or suppliers are not entities in which the Declarant has a direct or indirect ownership interest of ten percent (10%) or more.

(b) Incurring, during any fiscal year, any expenditures for capital improvements to the Common Area; or, if the Condominium Project has not been submitted to and approved by the VA, aggregate expenditures for such purposes, in excess of five percent (5%) of the budgeted gross expenses of the Association for that fiscal year.

(c) Selling, during any fiscal year, any property of the Association; or, if the Condominium Project has not been submitted to and approved by the VA, any such property having an aggregate fair market value greater than five percent (5%) of the budgeted gross expenses of the Association for that fiscal year.

(e) Filling a vacancy on the Board of Directors created by the removal of a Director.

4.16 Compensation. Except as provided in Paragraph 4.14 (d) herein above, no Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

4.17 Indemnification of Officers and Directors. Each Director and officer shall be indemnified by the Association and the Members against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon him by judgment or settlement in connection with any proceeding to which he may be a party, or to which he may become involved, by reason of his being or having been a Director or officer of the Association, except in cases of fraud, gross negligence or bad faith of the Director or officer in the performance of his duties.

4.18 Financial Accounts; Reserve Study.

(a) On at least a quarterly basis, the Board of Directors shall review: a current reconciliation of the Association's operating and reserve accounts, the current year's actual reserve revenues and expenses compared to the current year's budget, the latest account statements prepared by the financial institutions where the Association has its operating and reserve accounts, and an income and expense statement for the Association's operating and reserve accounts.

(b) The signatures of at least two persons, who shall be Members of the Association's Board of Directors, or one officer who is not a Member of the Board and one Member of the Board, shall be required for the withdrawal of monies from the Association's reserve accounts, meaning monies that the Association's Board of Directors has identified for use to defray the future repair or replacement of, or additions to, those major components which the Association is obligated to maintain.

(c) The Board of Directors shall not expend funds designated as reserve funds for any purpose other than the repair, restoration, replacement, or maintenance of, or litigation, involving the repair, restoration, replacement, or maintenance of, major components which the Association is obligated to repair, restore, replace or maintain and for which the reserve fund was established. The Board may authorize the temporary transfer of money from a reserve fund to the Association's general operating fund to meet short-term cash flow requirements or other expenses, provided the Board has made a written finding, recorded in the Board's minutes, explaining the reasons that the transfer is needed, and describing when and how the money will be repaid to the reserve fund. The transferred funds shall be restored to the reserve fund within one (1) year of the date of initial transfer except that the Board may, upon making a finding supported by documentation that a temporary delay would be in the best interests of the Condominium Project, temporarily delay the restoration. The Board shall exercise prudent fiscal management in delaying restoration of these funds and in restoring the expended funds to the reserve account, and shall, if necessary, levy a special assessment to recover the full amount of the expended funds within the time limits required by this paragraph. This special assessment is subject to the limitations imposed by Section 1366. The Board may, at its discretion, extend the date the payment on the special assessment is due. Any extension shall not prevent the Board from pursuing any legal remedy to enforce the collection of an unpaid special assessment.

(d) When the decision is made to use reserve funds or to temporarily transfer money from the reserve fund to pay for litigation, the Association shall notify the members of the Association of that decision in the next available mailing to the members pursuant to Section 5016 of the Corporations Code, and of the availability of an accounting of those expenses. The Association shall make an accounting of expenses related to the litigation on at least a quarterly basis. The accounting shall be made available for inspection by members of the Association at the Association's office.

(e) At least once every three years the Board of Directors shall cause a study of the reserve account requirements of the Condominium Project to be conducted if the current replacement value of the major components which the Association is obligated to repair, replace, restore, or maintain is equal to or greater than one-half of the gross budget of the Association for any fiscal year. The Board shall review this study each year and shall consider and implement necessary adjustments to the Board's analysis of the reserve account requirements as a result of that review. The study required by this paragraph shall at a minimum include:

(1) Identification of the major components which the Association is obligated to repair, replace, restore or maintain which, as of the date of the study, have a remaining useful life of less than thirty (30) years.

(2) Identification of the probable remaining useful life of the components identified in subparagraph (1) as of the date of the study.

(3) An estimate of the cost of repair, replacement, restoration, or maintenance of the components identified in subparagraph (1) during and at the end of their useful life.

(4) An estimate of the total annual assessment necessary to defray the cost to repair, replace, restore, or maintain the components identified in subparagraph (1) during and at the end of their useful life, after subtracting total reserve funds as of the date of the study.

(f) As used in this section, "reserve account requirements" means the estimated funds which the Association's Board of Directors has determined are required to be available at a specified point in time to repair, replace, or restore those major components which the Association is obligated to maintain.

4.19 Minutes of Meeting. The minutes, minutes proposed for adoption that are marked to indicate draft status, or a summary of the minutes, of any meeting of the Board of Directors of the Association, other than an executive session, shall be available to Members within thirty (30) days of the meeting. The minutes, the proposed minutes, or summary minutes shall be distributed to any Member of the Association upon request and upon reimbursement of the Association's costs in making that distribution. Members of the Association shall be notified in writing at the time that the pro forma budget required in Civil Code Section 1365 is distributed or at the time of any general mailing to the entire membership of the Association of their right to have copies of the minutes of meetings of the Board of Directors and how and where those minutes may be obtained.

"NOTICE
ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND NONJUDICIAL FORECLOSURE

The failure to pay an association assessments may result in the loss of an owner's property without court action, often referred to as nonjudicial foreclosure. When using nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the lien is not paid. Assessments become delinquent 15 days after they are due, unless the governing documents of the association provide for a longer time (Sections 1366 and 1367.1 of the Civil Code).

In a nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or member's guests, if the governing documents provide for this (Section 1366 and 1367.1 of the Civil Code).

The association must comply with the requirements of Section 1367.1 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association (Section 1367.1).

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail. Among those documents, the association must send a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt (Section 1367.1 of the Civil Code).

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard (Section 1367.1 of the Civil Code).

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, he or she may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments (Sections 1366.3 and 1367.1 of the Civil Code).

An owner may dispute an assessment debt by giving the board of the association a written explanation, and the board must respond within 15 days if certain conditions are met. An owner may pay assessments that are in dispute in full under protest, and then request alternative dispute resolution (Sections 1366.3 and 1367.1 of the Civil Code).

An owner is not liable for charges, interest, costs of collection, if it is established that the assessments was paid properly on time (Section 1367.1 of the Civil Code).

MEETINGS AND PAYMENT PLAN

An owner of a separate interest that is not a time-share may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if they exist (Section 1367.1 of the Civil Code).

The board of the directors must meet with an owner who make a proper written request for a meeting to discuss a payment plan when the owner has received a notice of delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist (Section 1367.1 of the Civil Code).

(n) The foregoing duties may be delegated to a manager appointed by the Board.

(o) The fiscal year of the Association will begin on the first (1st) day of January and end on the thirty-first (31st) day of December of every year, except that the first fiscal year will begin on the date of incorporation or establishment of the Association.
